# February Horoscopes and Birthdays

## Notable Quotable

“Some folks think I painted Lincoln from life, but I haven't been around that long. Not quite.”

~ Norman Rockwell  
(Born February 3, 1894)

If you were born between February 1–18, you are Aquarius, the Water Bearer. Witty, clever, and honest, Water Bearers desire independence above all and are not afraid to deviate from the crowd to pursue their own interests.

Those born between February 19–28 are Pisces, the Fish. Selfless, spiritual, and intuitive, Pisces swim on an inner journey. They are emotional, compassionate people who are always willing to help others.

## Our February Birthdays:

**February 3rd**      **Beth Hill**  
(New resident)

**February 24th**      **Sharon Stone**

*We will be celebrating our monthly birthdays with community cake & ice cream.*
