**Employee of the month: “Chuck”**

Charles Von Eberstein ("Chuck") was born and raised in central Florida just a few miles from Bahama Bay Club. He currently resides in Longwood in his grandparents' old house. He and his lovely wife, Teagan, have a 15-month-old son, Beau, and their little family is rounded out with a cat and dog. Before working here with us, he was a Chef at a German Craft Brewery & Restaurant. His favorite pastimes include swimming, going on hikes and walks with his family, shooting, and cooking. He has always wanted to visit Hawaii where he would spend his whole time at the beach. Something we would be surprised to learn about Chuck is that he is a certified BBQ judge! He also used to be a farm hand in Alabama and knows how to drive a tractor & bush-hog. Lastly, he says, "What I like best about working here is being able to cook for the same sweet residents every day and make them smile from something I made." Congratulations on employee of the month, Chuck! We're lucky to have you! Chuck makes the best poached eggs you ever had!!! 😊
