Employee of the month: “Theresa”

Theresa was born and raised in Bristol, Pa. She is married with 1 son and 3 grandchildren. She also has a dog named Hendrix. Before joining us here at BBC, she was a housekeeping supervisor and provided private in-home care. She enjoys spending time with her family, gardening and listening to music. She has always wanted to travel to Puerto Rico. When asked what she liked about working here at BBC, she says "everyone is friendly here...and the place is very nice....it's a nice company to work for". We are very happy to have you here with us, Theresa! Thank you for all of your hard work.
