Let's Welcome Our New February Residents to Bahama Bay Club

Employee of the month: “Kim”

I was born and raised in a suburb outside of Buffalo, NY. Was married but am currently divorced and living with my boyfriend of 8 yrs. I have 4 children and 2 grandchildren. I was retired before working at BBC, looking for a part time job to keep me busy. I have spent most of my life working in a beautiful Nursing home/Retirement Community/Rehab Facility in WNY. I believe it's my calling. My boyfriend and I moved down here for the sunshine and most of our pastimes and hobbies are outdoors, and up north you are limited in what you can do. I love being outdoors.
