Employee of the month: Kandace!

Kandace was born in Sanford, FL. She has 2 boys ages 20 & 24. She has lived all her life in Florida. She has been a Med Tech for 16 years. Something we would be surprised to learn about her is that she is actually very shy. When she is not working at Bahama Bay Club she enjoys spending time at the beach. Here at Bahama Bay Club she is enjoying building relationships with residents and knowing she can make a positive difference in their daily lives. Somewhere she has always wanted to travel to? Hawaii!!
