*Employee
of the
month:*

Chris

Chris was honored with our monthly accolade of *employee of the month* as well as our winner of "Kudos of the Quarter" as he garnered the most kudos (compliment) slips than any other employee for the past 3 months!! Chris is born and raised in Florida. He is not married and has no children but he loves animals as evidenced by his collection of pets: 3 cats, 2 lizards, a dog, 12 chickens and a couple of fish! Several things we would be surprised to learn about him are: he was the volunteer coach of his high school Physical Education class; his hobbies include art (all mediums except watercolor), baking, building, boxing, and occasionally fishing. He also used to play the piano and saxophone but had to give it up a couple years back. Chris claims this is actually his first "real" job but has sold his artwork for some extra cash. When asked about travel, Christian says, "At the moment I really want to go to Bali, Indonesia, But there's many places on the list." Lastly, when asked what he likes best about working here at Bahama Bay Club, he responds, "**the people, both residents and coworkers.**" **Congratulations, Chris ~ We're lucky to have you!**
